MOTORCYCLE ACCESSORIES

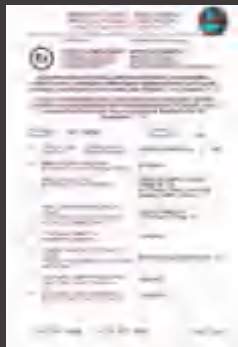

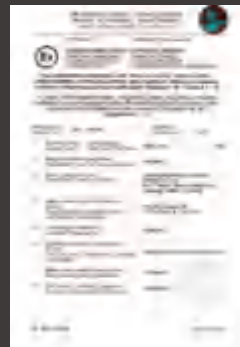

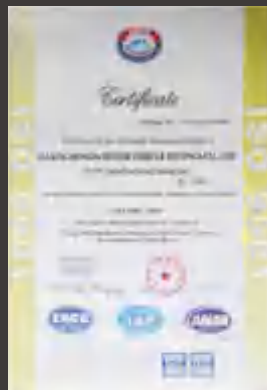

Company Introduction

Established in 1988, Jiaxing Hongfa Motor Vehicle Fittings Co., Ltd is specialized in developing and manufacturing motorcycle parts and accessories. We are a technology-based firm of developing, manufacturing, marketing and service. We have registered 5 brands, among which "TDH" has been registered in Indonesia, Thailand & Europe. In 2006, we passed and were granted ISO9001:2000 certificate. In 2009, the ERP system was lead into our company, which made our management as information-organized. In 2010, we enlarged our new workshop to 8000 square meters. We also introduced advanced equipments, enhanced production and improved the environment for workers.

With strict quality control, over 30 items are E-mark approved and all the products are manufactured in compliance with European standard. With strong Design & Developing ability, we now have developed many motorcycle LED indicators, LED rear lights, head lamps, flashers for LED indicators, etc. Our main products are motorcycle indicators, we have abundant experience in this field. All of them are E-marked, and are mainly exported to European Market. Our technology is in the leading stage in domestic.

With our persistant effort, we have built good business relationship & friendship with customers from many countries, such as UK, France, Germany, Italy, Sweden, Poland, Brazil, USA, Canada and so on.

The past 20 years' endeavor have been rewarded by our progress and achievement. With the faith of "constantly adhering to integrity and striving for perfection", We Hongfa staff are doing our utmost to obtain more room for development, just as our "TDH" suggests: "I Think, I Do, I Have!"

Swing Arm Spools

Aluminum material
Hard, durable, bright anodized colors with stainless steel screws
Thread Specification: **M6*1.0mm, M8*1.25mm, M10*1.25mm, M10*1.5mm**
Allow you to easily mount motorcycle on a stand, and offer protection to the swing arm

HF111162
M8 * 1.25 mm

HF111162
M10 * 1.5 mm

Antenna

Anti- kite string, avoid possible injury to riders, multicolor,
1", 7/8" mounting bracket available.
Equipped with sharp cutter tip, can easily cut off strings ahead,
promote driving safety.
